

Herb. (Colson)

04 July 2010

It was a pleasure meeting you today,
4 July 2010. I am extremely impressed by
your honorable service within the
US Marines, once a Marine, always a Marine.

I am also pleased to hear about
your volunteer work greeting the Great
Men & Women of the US as they pass through
the Great State of Maine, truly a witness
and testimony of the "Maine Greetings". Thanks
to you and "your Team" for this effort.

Once again, thanks for your Service
and efforts in all that you do.

"Good Luck.
GOD BLESS.
I'll see you on
the "High Ground!"
