

PARKING INFORMATION

The Shuttle Parking Lot is open during peak parking periods when the Long Term Lot is nearing capacity (typically February – April). Look for signs as you approach the Airport for information on lot status.

If directed to the Shuttle Lot, it is suggested that you drop off passengers and luggage at the terminal, and then proceed back to the Shuttle Lot and take the shuttle to the Airport Terminal.

Where to Park

The Shuttle Lot is conveniently located ½ mile from the Airport Terminal on Maine Avenue (see back flap for map).

Rates

The Shuttle Lot rate is \$8.00 per day. The first hour is free.

Free Shuttle

A courtesy shuttle van runs between the Shuttle Lot and the Airport Terminal every 10-15 minutes. You can either wait in your vehicle or in one of the shelters. The shuttle will take you to the front door of the Airport Terminal. The shuttle will run from the time the lot opens in the morning until the last flight of the day.

Returning

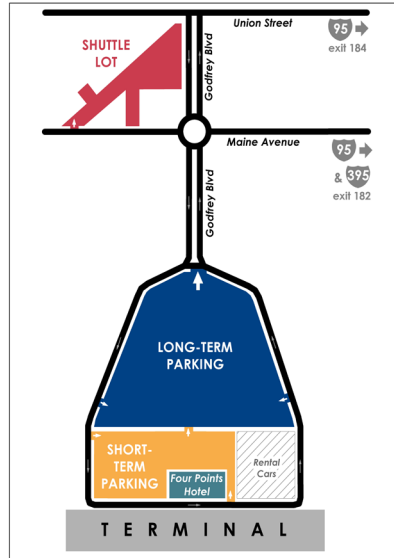

The shuttle will take you back to the Shuttle Lot upon your return. During peak travel times, the shuttle will be staffed and running to the lot on schedule. During off-peak times, the shuttle will run upon demand. Simply use the Courtesy / Shuttle Phone located on the first level of the Airport Terminal by baggage claim area. A driver will be right along to assist you.

The shuttle will park to the right of the Airport Terminal as you come out the main doors – look for signs.

Change of Plans?

If your flight plans change during your trip or you have questions please call the parking office at 207-941-1654. The office is open Monday – Friday 8:00 am to 5:00 pm. To reach the main booth attendant 24 hours a day – call (207) 942-1682.

AMANO / MCGANN AUTOMATED PARKING SYSTEM

Enter

Push blue button on front of ticket dispenser to receive your entry ticket. When you pull the ticket, the gate will open.

Park

Park in any available space.

Fill out your return flight information on the back of the parking ticket. Place ticket on dash with information visible.

Return

Proceed to the exit station

1. Insert Parking Ticket -Voice and visual prompts will guide you through the process.
2. Credit Card Payment - Paying with credit card is the fastest, most convenient means of payment. Insert Credit Card in same slot as ticket.
Cash Payment - Insert notes and coins. Machine accepts \$1.00, \$5.00, \$10.00 and \$20.00 notes. It does NOT accept \$50.00, \$100.00 or Canadian notes.
3. Change - Change for cash customers is dispensed in \$1.00 and \$5.00 notes.
4. Receipt – A receipt will automatically be dispensed.

Help

Push the 'Help' button to speak to an attendant at the Main Lot. If help requires assistance, please pull back around into the lot and wait. This will allow other customers to use the machine.

Insert your ticket into the pay station located in the exit lane. The graphics show where and how to insert the ticket. The display will show the amount of the parking fee.

Credit Card Customers can insert any accepted credit card to pay the parking fee.

Cash Customers can insert any combination of notes, (\$1.00, \$5.00, \$10.00 \$20.00) coins or validation coupons to pay the parking fee. The machine does not accept \$50.00 or \$100.00 notes or Canadian Currency.

Take receipt and change. Change is issued in coin and bills.

If you lose your ticket or need to start over you can use these special buttons to proceed.
