MAINE TROOP GREETERS
Conflict of Interest Statement
August 2016

General Principles

1. To allow for significant deliberation, diversity and representation, the Board of Directors will consist of volunteers, unrelated to each other or to anyone who may financially benefit from their association with said member.

For the purposes of this policy, a “relative” is any person who is related by blood or marriage, or whose relationship with the board member is similar to that of persons who are related by blood or marriage.

2. Each member of the Board of Directors or any of its Committees must place the interest of the Maine Troop Greeters organization foremost in any dealings impacting upon the organization.

3. Each individual shall disclose to the Board any personal interest they may have in any matter pending before the Board or any matter that may affect the welfare of the organization and shall refrain from participation in any decision on such matter. A conflicted Board member may not be counted in determining a quorum for the meeting in connection with the conflicted matter.

4. No Director or Committee member shall derive any personal profit or gain for themselves, relatives or friends, directly or indirectly by reason of their participation with the organization except as otherwise agreed to by three-quarters of the voting members of the Board.

5. Any Board or Committee member shall refrain from obtaining any list of members for personal or private solicitation purposes at any time during the term of their affiliation.

This is to certify that I, except as described below, am not now nor at any time during the past year have been:

1) A participant, directly or indirectly, in any arrangement, agreement, investment or other activity with any vendor, supplier or other party doing business with the Maine Troop Greeters which has resulted or could result in personal benefit to me.

2) A recipient, directly or indirectly, of any salary payments, loans, gifts of any kind, any free service or discounts or other fees from or on behalf of any person or organization engaged in any transaction with the Maine Troop Greeters.

3) Related to a seated board member or engaged in any activity that could create the appearance of a conflict of interest, and thereby impair the standing of the Maine Troop Greeters organization.
