## MAINE TROOP GREETER ORGANIZATION

### Benefits of Membership 2016

#### Membership

The Maine Troop Greeter organization is a volunteer organization established to host inbound and outbound Troops through Bangor International Airport. Membership in the Troop Greeter organization is defined as a volunteer who has read the Standards of Conducts document, agrees with the policies set forth and has signed the Conduct Agreement form which is on file with the Troop Greeter Secretary. Once the member's Agreement is on file, a Maine Troop Greeter membership card may be issued to the member.

#### Benefits of Membership

A qualified member of the Troop Greeter organization has the opportunity to participate in the leadership of the organization by serving on committees, voting on policies and directors. All have the opportunity to attend meetings of the organization where their voice can be heard.

A Participating, Retired or Contributing member will be notified of confirmed Troop flights through the member's Call-Em-All system.

All members will have their parking validated each time they meet a flight.

All members may deduct their travel expenses for troop greeting on their itemized tax forms since the organization is a recognized 501-C3 non-profit entity.

A member will be apprised of all new developments and upcoming functions and events through bulletins in the Troop Greeter room and on the website or through e-mail notifications.

*Any volunteer may continue to Greet the Troops and elect to not become a member of the Maine Troop Greeter organization but the listed benefits of membership will not apply to that volunteer.*

#### Courtesies Extended Non-Members

Validation of parking tickets will be extended to two family members of Troops being greeted at the airport.

Conditional/Potential Maine Troop Greeter members may have their parking ticket validated when greeting Troops for the first time or for five consecutive times if fulfilling the conditions of a Participating member.

Anyone who is not a member of the Maine Troop Greeter organization may greet the Troops at any time provided they observe the Standards of Conduct, but their **parking will not be validated.**
