

THE MAINE TROOP GREETERS

Member Benefits Statement

Membership

The Maine Troop Greeters is a volunteer organization established to greet and host troops passing through Bangor International Airport.

A member of the Maine Troop Greeters is defined as a volunteer who has read the Standards of Conduct document, agrees with the policies set forth and has signed the Conduct Agreement form which is included in the membership packet. This will be explained by a Membership person prior to greeting troops.

Benefits of Membership

A member of the Maine Troop Greeters has the opportunity to participate in the leadership of the organization by serving on committees, voting on policies and directors, and having the opportunity to attend all meetings of the organization where their voice can be heard, dependent on their category.

A member will also be notified of confirmed Troop flights through the member's call service.

Because the Maine Troop Greeters is a recognized non-profit, 501(c)(3), organization, members are allowed to deduct their travel expenses for tax purposes. A description of all membership categories' benefits are listed on the attached Benefits Chart.

Maine Troop Greeters Membership Categories and their Benefits

Participating Member An individual who is active in greeting Troops, works in & for the TG room or serves on a committee.	Contributing Member An individual who supports the organization by providing product or funds without participating in the day to day workings of the organization.	Friend of MTG An individual who is supportive of the organization in a non-active role.	Jr. Member An active or inactive supporter of the organization between the ages of 5 and 17.	Retired Member A long-time active member who is no longer capable of actively participating.
